

# RIZQUHA MAULIDA

I am a fresh graduate Information Technology at the Universitas Gadjah Mada. I was born in Bekasi, July 26, 1997. I am an experienced startup, leadership, organization, some competition about business and programming. I enjoy reading and writing resume non-fiction books , watching a movie, listening motivational speeches and socialising with friends. I have been interested in business, technology, entrepreneurship, management and self-development.
